While reviewing the progress on IAY, DC directed the DRDA not to keep any fund under the programme with the DRDA. The beneficiaries should be selected as per the guidelines and the DRDA shall not select beneficiaries by their own, which is against the laid down procedure and is a gross violation of the IAY guidelines. The CGI sheets for the year 2014-15, going to receive shortly, be verified through the Block level committees constituted and be issued to the concerned blocks and beneficiaries. DC directed the BDOs to dispatch the CGI sheets immediately after receipt of the same and proper receipt should be obtained containing the signature and photographs of the beneficiaries concerned. As per the guidelines of IAY, 3% of the allocation be earmarked for the handicapped beneficiaries and BDOs should follow these strictly.
