Deputy Commissioner-cum-
Chairman (DCC/DLRC)
East Kameng District,
Seppa

A district level coordination meeting of East Kameng District was held at Kameng Hall, DC's Office, Seppa on 17-8-2014. Chaired by the Deputy Commissioner, Mr. Sandeep Kumar Singh, IAS, the meeting was attended by Mr. Kumar Waii, Hon'ble Minister RWD, Mr. Tapuk Taku, Hon'ble Parliamentary Secretary (Tax & Excise), Mrs. Karya Bagang, Hon'ble Parliamentary Secretary (Social Welfare, Women & Child Development), Mr. Mama Natung, Hon'ble Parliamentary Secretary (Tourism), Mrs. Meyuk Cheda, Zilla Parishad Chairperson, East Kameng district, Administrative Officers, all Heads Of Departments and Panchayat Members. A list of the participants is attached at Annexure 'A'.

The objective of the meeting was to ascertain areas of concern in the spheres of administration, governance and development in the district and to determine ameliorative strategies. Comprehensive discussions by all concerned identified the following points of intervention.

1. POLICE/LAW AND ORDER

- a) As per the records, the numbers of criminal cases have come down. But off the record, cases of intimidation and extortion are still being reported.
- b) FIRs can be filed only at the police stations. Hence they should be addressed to the Officer-in-Charge of the Police Stations at Seppa, Chayantajo and Seijosa.
- c) **There are only 7 (seven) Sub-Inspectors posted in the district against the sanctioned post of 14 (fourteen). This hampers investigation and other duties and should be addressed at the earliest.**
- d) It was proposed that there should not be home posting for police personnel to ensure impartiality of stance and diligent discharge of duty.

2. EDUCATION

- a) **The district suffers from the chronic problem of teachers being released without relievers taking up their assignments.**
- b) Two higher secondary schools, namely GHSS Chayantajo and GHSS Pampoli are totally bereft of Senior Teachers due to non-sanctioning of the same.
- c) The shortage of teachers comes to 15 (fifteen) Senior Teachers and 96 (ninety six) Junior Teachers.
- d) Absenteeism of teachers is a serious issue, especially in the rural areas. This in turn leads to non-enrolment of students.
- e) Non-enrolment of children in most village schools has almost rendered the schools defunct and the teachers idle.
- f) One of the contributing factors towards the problems of the schools in the outpost is the low level of awareness among the parents and the members of the School management Committee. This has to be countered through coordinated efforts of administration, the Education department, the PRI members and the public at large.
- g) Late release of SSA salaries severely impacts the morale and efficiency of the teachers this too adversely affects the regularity/efficiency of the teachers, especially in the outposts.
- h) Low enrolment in the outposts has led to a situation wherein there is extremely excess enrolment in the schools in Seppa.
- i) Shortage of infrastructure is a perennial problem of the schools especially in the schools of Seppa which sees excess enrolment but no corresponding expansion of infrastructure.
- j) Even the basic requirement of furniture has not been attended to. There has been no sanction of fund in this respect for the last five years.
